RADIO FREQUENCY FACIAL

Radio frequency therapy, also called radio frequency skin tightening, is a non-surgical method of tightening the skin. The procedure involves using energy waves to heat the deep layer of your skin known as your dermis. This heat stimulates the production of collagen.

Treatment Time: 60 minutes.

Price: £80.00

GLASS SKIN FACIAL

This facial is achieved by using Korean Skincare which I highly recommend and use on my own skin.

A real pamper and Glow up.

Treatment Time: 60 minutes.

Price: £70.00

OXYGENATING FACIAL

A non invasive treatment which uses radio frequency energy to exfoliate, tighten, infuse and oxygenate the skin.

Treatment Time: 60 minutes.

Price: £80.00

CHEMICAL PEEL

A Chemical Peel is a skin treatment that uses a chemical solution to exfoliate and remove the outer layers of skin, revealing smoother, healthier skin underneath.

It's a non-surgical procedure designed to improve the appearance of the skin, addressing issues like wrinkles, acne, scarring, and uneven skin tone.

Treatment Time: 60 minutes.

Price: £99.00

WORKOUT FACIAL

A 5 in 1 facial for your skin.

- Lymphatic Drainage & De-puffing.
- Deep Cleansing.
- Anti-Aging & Toning.
- Improved Circulation & Glow.
- Enhanced Product Absorption.
- Relaxation-Relieves face & jaw tension.

Price: £75.00

DELUXE PAMPER SESSION

1 hour full body massage and 1 hour facial.

Treatment Time: 120 minutes

Price: £120.00

BESPOKE FACIAL

Customised Facial which combines two of my facials depending on what your skin really needs.

Price: £99.00

PERI & POST MENOPAUSE FACIAL

Declining oestrogen levels lead to dryness, reduced collagen (about 30% loss in the first 5 years after menopause), reduced thickness (13% reduction) and decreased elasticity. A calming, deeply hydrating and nourishing facial.

Treatment Time: 60 minutes.

Price: £75.00
